STAY EASY

PROPERTY MANAGEMENT

THE COMPANY

We're doing things differently. We're an ambitious, independent team offering boutique services. We know there are plenty of corporate agencies out there who forget clients names, or let them slip through the cracks. We pride ourselves for being genuine, accessible, fast-moving and always a phone call away.

We match each beautifully designed property with the right tenant.

ASSET MANAGEMENT THE RIGHT WAY

VALUABLE INVESTMENT

We understand that for a lot of landlords, their property represents their single most valuable investment. Hence, it is imperative that their asset is protected and managed in the right way.

SIMPLE MODEL

Our aim is to offer a win-win solution for landlords, our company and clients alike. Our model is simple; we rent properties directly from landlords becoming the lead tenant, then offer it out to our clients. This means our landlords get the benefit of full management with absolutely no fees to pay.

HASSLE-FREE

We take care of the entire process from drafting the initial agreement, managing our clients, to dealing with maintenance issues to ensure our landlords receive a truly hassle-free experience from start to finish.

OUR CLIENTS

Our clients are typically in their mid to late twenties. They work mainly in and around central London usually in demanding jobs. As such, they are looking for a more holistic approach when letting a property.

*WE WILL HELP YOU FIND
THE MOST SUITABLE
SOLUTION FOR YOUR
NEEDS.*

WHAT WE PROVIDE

We provide our clients with a stress-free approach to renting by taking care of the management which includes sorting out the bills, council tax, organising a weekly cleaner and dealing with maintenance issues to name a few. This ensures the property is in tip-top condition allowing them to get on with their day to day lives in peace.

TRANSPARENCY

We believe it is essential to be honest and transparent in order to maintain a good long-lasting working relationship. We do exactly what we say and are open when interacting with landlords and clients. This goes a long way in building a solid foundation of trust.

EFFICIENCY

If something is worth doing, it's worth doing well and in a timely manner. We take this extremely seriously be it providing comprehensive property management or ensuring the rent is paid in full and on time.

DUTY

We truly believe in the value of service and going the extra mile to ensure customer satisfaction. This translates into our property management style; we do not see the properties we acquire as mere business opportunities, rather, we treat them as we would our very own.
